

Supplementary Terms and Conditions
Gravure and flexographic printing inks

1. General Considerations

All deliveries of gravure and flexographic inks by A. M. Ramp & Co. GmbH ("RUCOINX") are governed by the General Terms and Conditions of Sale and Delivery of RUCOINX ("General Terms and Conditions") as well as by the following supplementary terms and conditions ("Supplementary Terms and Conditions"). In cases of conflict the Supplementary Terms and Conditions take precedence over the General Terms and Conditions.

2. Delivery

- 2.1 Deliveries are generally ex-works (shipped from RUCOINX, A. M. Ramp & Co. GmbH, Lorsbacher Strasse 28, 65817 Eppstein/Taunus, Germany) ICC Incoterms 2010.
- 2.2 For goods of at least € 1,500.00 value delivery is within Germany CPT (agreed destination within Germany) ICC Incoterms 2010.

3. Minimum Order Value

- 3.1 The minimum order value per delivery is € 1,000.00.
- 3.2 The minimum quantity per order item is 25 kg.

4. Standard Container, Surcharges for Small Containers

- 4.1 The articles are delivered in standard 25 kg containers.

5. Shade Matching

For shade matching of special inks in our colour laboratory we charge a flat rate of € 500 per shade. The flat rate is not charged on a shade matching order of at least 100 kg.

6. Sampling

For the production of 1-5 kg minimal quantities for sampling we charge an expense allowance of € 150 per article as they are produced in the laboratory. A credit note will be issued for this amount if a subsequent order for at least 100 kg is placed within 2 months from receipt of the respective sample.

7. Surcharges / Markdowns for Solvents

If ethyl acetate is used in our products, corresponding surcharges or markdowns will be shown on the invoices depending on the quantity used and the market price. The price for ethyl acetate is based on € 0,90/kg.
